

# Guidelines for Authors of Abstracts

## Submitted to IFCS 2024 Book of Abstracts

Name of First Author and Name of Second Author

**Abstract** This template for submitting an abstract to the International Federation of Classification Societies (IFCS) 2024 Conference, that will take place in San José, Costa Rica. Since all texts should be compiled together, files that do not comply with this format will not be accepted. Please, use only the IFCS2024.cls style file and standard fonts. **DO NOT** include any user-defined commands and macros. No figures nor tables should be included in the abstract.

**Keywords:** aaa, bbb, ccc

For the heading, specify the following items:

- `\title*` to specify the title of your manuscript,
- `\titlerunning` to specify the title in the running head (odd page numbers), use an abbreviated version of your contribution title if the original one is too long.
- `\author` to specify the authors. Authors are separated by the `\and` command. Use the `\inst{1}`, `\inst{2}`, ... commands to define the reference mark to your affiliation.
- `\authorrunning` to specify the author names in the running heads (even page numbers). If there are more than two authors, please, abbreviate the authors' list (e.g., Brito et al.).
- `\institute` to specify your affiliation, address and e-mail address. Separate two or more different affiliations by the `\and` command.

Specify 3 to 5 **keywords** in your abstract, using the command `\keywords`.

Use `\cite{<label>}` for bibliographic references, in case you use them. References should be *cited* in the text by number. The reference list should be arranged in ascending order. Make sure that all references from the list are cited in the text. The
